

# NURSING DIRECT ADMISSION

Mount St. Joseph University's Bachelor of Science in Nursing (BSN) program has an outstanding reputation, built on nearly 100 years of experience. Nursing majors at the Mount progress through a comprehensive program that includes a variety of classes, labs, and off-campus clinical experiences, preparing them to become effective patient advocates and leaders in diverse healthcare settings. Each year, four incoming students can earn a \$10,000 BSN scholarship (\$2,500 / year). BSN graduates can go further with graduate nursing certificates and advanced degrees. Nursing Faculty Loan Program (NFLP) funds are available for MSJ graduate nursing programs with an 85% loan forgiveness opportunity!

## BEYOND THE CLASSROOM

### HANDS-ON EXPERIENCE

The Mount's state-of-the-art, high-fidelity, human patient simulation lab provides students with hands-on learning.

Clinical experiences in Greater Cincinnati healthcare systems and Service Learning immerse students in the real world and provide rich opportunities for experiential learning and the application of skills and knowledge learned in the classroom. Students work under the supervision of a faculty member and an agency professional in a variety of non-profit and for-profit organizations and community partners.
